

Natalie Hemminger teaches the 4-year-old class and the Wee Sprouts class. She earned a bachelor of science degree in education from Bowling Green State University and her teaching certification in 2009. Natalie was a paraprofessional in a classroom of students with special needs and taught kindergarten for three years in El Paso, Texas. During her final year, she was awarded Teacher of the Year at her school. Natalie's daughter is a student at Euclid Co-Op and Natalie holds a position on the parent board. This is her third year teaching at the preschool.
