

Donna Sudar is our Pre-K teacher and the director of the school. She has a bachelor of science degree from the New York College of Environmental Science and Forestry and a degree in chemistry from Syracuse University. She has an associate degree in Early Childhood Education as well as 40 graduate hours in Early Childhood Education. Donna has been an involved coop parent. Three of her children attended a cooperative preschool where she played an active role on the preschool's parent board prior to teaching. Donna also is very active in the Euclid community. She is currently the president of the Euclid Board of Education. She developed the Kindergarten Backpack program for Euclid City Schools. In 2008, she was named the "Most Influential Person of the Year" by the Euclid Sun Newspaper. Donna was awarded the National PTA Lifetime Achievement Award for her service as a board member in many Euclid City School's PTAs. She is the mother of four children.
